From the visit.

- No hand-filled booklet naming this school is on file. The Word toolkit is written from the visit of 25 August: the head teacher's telephones were off, nobody was on site, and every frame is of the outside.
- The discussion guide was not held. Questions 1a, 1b, 2, 3 and 4 are blank.
- Nothing inside the school was seen or counted. The report that it received all its items has no count behind it.
- A return visit needs an officer who holds the keys.
