2. Entry

The team reached this facility on 29 August. A hand-filled register naming Namwaya HC III is on file together with 142 photographs. Nobody is named as having received the team.

3. Condition and status

The four things the exercise exists to establish. Only what was established on site appears here; the rest is marked as not reported, not guessed.

Dimension	What was established on site
Ownership	Not reported.
Functionality	Established on the hand-filled register, mostly good condition with several lines marked not seen.
Usage / performance	Partly established. The informant says assets are new, service delivery has improved and staff welfare is better, but the facility is not fenced.
Location	Recorded on the register and shown in photographs of the wards, store, laboratory and water tanks.

4. Supplied against found

The hand-filled register is the found side and nothing was counted on the day.

5. Engraving and identification

Most lines read not engraved on the register.

6. Obsolete, unserviceable or for disposal

Nothing on the register was named for disposal.

7. Operation and maintenance

The discussion guide was answered. The facility holds a record, reports no breakdowns yet, and asks for fencing.

8. Queries

- Nothing here was counted on the day.
- Ownership was not established.
- The programme list carries level II and the signboard reads level III.
