

SCHOOL INTERVIEW/DISCUSSION GUIDE

Name of school: NIMUNGO SEED SECONDARY SCHOOL

1a	Does the Facility have a record of all assets provided under UgiFT. (Obtain a record and verify if it has the costs and numbers supplied)	
1b	If Not ask how many were supplied and when.	

2	How does this facility Maintain (repair/service/replace) the assets provided under UgiFT	
---	--	--

yes the School facility had a delivery note from the supplier, locked proper assets register that has standard detailed points like Serial numbers, tag number, through routine inspection, proper handling and use by responsible staff.

3	Does the facility take regular record about functionality/ or breakdown of the assets provided? Nonfunctional/ working, and reasons for non-functionality.	
---	---	--

The School does not currently have a fully documented functionality and breakdown of assets working and nonfunctional. There is a need to strengthen regular maintenance, servicing and asset condition recording.

4	How has the UgiFT support helped in service delivery in the area, any issues, challenges and any recommendations for better program implementation.	
---	---	--

UgiFT support has improved the learning environment of the school by providing essential infrastructures, furniture and ICT facilities.

CHALLENGES

Maintenance of some assets and limited resources for repair.

PROCEED TO VERIFICATION AFTER THIS DISCUSSION

It is recommended that regular maintenance, timely repairs and continued support be strengthened to ensure sustainability of the investments.
