Circumstance. Entered. The laboratory and the stores were locked. Buildings and one air conditioner were seen.

From the visit.

- No hand-filled booklet naming this school is on file. The laboratory and the stores were locked; the deputy held no keys.
- The discussion guide was not filled on a form. Questions 2, 3 and 4 are what the deputy head teacher told the team; 1a and 1b were not answered. The deputy is not named.
- Not one ICT item except the air conditioner was seen. Kotido's ICT listing names no facility, so nothing on it can be attached here.
