From the visit.

- No hand-filled booklet naming this school is on file. The school is under construction and not yet commissioned, and it received none of its movable UgIFT items.
- The written record counts one kitchen and five latrine stances; the day recorded three kitchens and toilet blocks of two and four rooms. Both counts are carried and neither is preferred.
- The school is named three ways in its own evidence: Rengen Seed School, Rengen Seed Secondary School and Rengene Primary School.
