2. Coverage

Facility	Type	State	Incomplete	Photographs
Bubentsye Seed Secondary School	School	complete	yes	85
Lwasso Seed Secondary School	School	complete	yes	7

Assigned 2 · reported on 2 of them · verified 2. Nothing here is pending. Both schools have a hand-filled register that names them. Each return is still incomplete: Bubentsye has no power so its ICT items were not seen, and Lwasso records twenty CPUs stolen.

3. The local government record

Required	Status
Courtesy call on the CAO or Town Clerk	No record. A circular under the district's received stamp of 31 August is on file; no visitors' book was photographed
Record of assets held at the district	No record. The circular is the demand for a register, not the register
Interviews with the CFO, DEO and DHO	No record
Debrief to the local government	No record

4. Key findings

- **Both schools have a hand-filled toolkit.** Bubentsye Seed Secondary School and Lwasso Seed Secondary School are named on their own pages.
- **Bubentsye has no power.** Its ICT items remain packed in store and were recorded as not seen.
- **Twenty Dell CPUs were stolen at Lwasso,** and the case is in court. Some of its sheets name Mbale City and others Mbale District.
- **The district produced no record of assets on file.** A register dated 2026-07-31 was recorded as obtained from Mbale and that copy is not here.

5. Supplied against found

The district produced no register against which either school can be checked. The filled pages carry quantities at Bubentsye and leave the furniture counts at Lwasso blank, the school saying its totals list could not be found.

6. Obsolete, unserviceable or for disposal

- Lwasso Seed Secondary School: twenty CPUs recorded as stolen, and lightning conductors recorded as stolen.
