

Bududa District - review of the record of assets held at the local government

1. What the district holds

Bududa produced no record of assets: no register, no delivery note, no asset listing.

2. What it covers

The facilities worked in Bududa cannot be checked against a holding kept at the district.

3. Completeness

Bududa handed over no books of its own.

4. What it can and cannot establish

Had Bududa handed over a financial document, that would stand as the record of assets. With none on file, supplied quantities for these health centres and schools cannot be read from the district.

5. Queries

- Obtain Bududa's own record of programme assets, or a written statement that the district holds none.
