

Bulambuli District - courtesy call on the local government

Made 2026-08-25 at the district offices.

1. The call

The team was received by the Chief Administrative Officer, who directed the Chief Finance Officer to help them. The District Health Officer, Mr. Martin Naimu, also helped, with directions to the health centres the programme supports. What was said at the call, and whether the purpose of the visit was set out, is not recorded.

2. Evidence of the call

Received by	Mr. Kassim, Chief Administrative Officer
Directed to	Mr. Wolibwa Norbert, Chief Finance Officer
Also seen	Mr. Martin Naimu, District Health Officer
Visitors' book at the office of the CAO or Town Clerk	No record. No book was photographed and none is on file
Written record on file	Yes - the team's own account of the day, made the same day

The call is therefore established by the team's own written account and by nothing else. A signed visitors' book at the office of the Chief Administrative Officer or Town Clerk is the proof the exercise asks for, and no such proof exists here.

3. Queries

- Photograph the visitors' book entry at the office of the Chief Administrative Officer, or record why it could not be photographed.
