1a	Does the Facility have a record of all assets provided under UgIFT. (Obtain a record and verify if it has the costs and numbers supplied)	Yes
1b	If Not ask how many were supplied and when.	5/ Oct / 23

2	How does this facility Maintain (repair/service/replace) the assets provided under Ugift
---	--

It comes from hoima referral hospital like once a year

3	Does the facility take regular record about functionality/ or breakdown of the assets provided?
---	---

No we keep it in the Stores

4	How has the UgIFT support helped in service delivery in the area, any issues, challenges and any recommendations for better program implementation.
---	---

- Type of microscope is a mono colour — *Facility has no lab structure*
- Glucometer doesn't have the type of strips on the MMS list of suppliers
- Helps in giving equipments and service delivery
- Recommend that they get a person to do regular service and repair since their spare are not easily found
