- **Busia Municipal Council was not reached.** The team worked Busia District from 24 to 26 August and left for Tororo on 27 August without calling at the municipal offices.
- **No record of assets was obtained from the council.** Nothing was asked for and nothing was handed over.
- **Busia Eastern Division is named nowhere on file but the programme list.** Neither the council nor the district record carries a health centre of that name, so what the line stands for is unsettled.
- **Nothing here was seen, counted or photographed.**

Nothing here was seen, so nothing is named for disposal.
