

Team 10 - daily log of activities, Amudat District

Team	Team 10 - Mwesigye Joseph, Otema Emmanuel
Supervisor	Kassim Luminsa
Supervisor's contact	+256 702 806116
Date of submission	

2026-08-26

Local government covered: **Amudat District**.

Researcher	What was covered	Photographs
Mwesigye Joseph	The district headquarters in the morning, where the visitors' book was signed for the verification and recording of UgIFT assets and no officer was named; then Kalita Seed School through the afternoon - the blocks, the fence and gates, the staff housing and the water tanks - and the school's own inventory for 2025, which the head teacher handed over	36
Otema Emmanuel	Working in Moroto, logged with that district	0

36 photographs on 2026-08-26, three of them at the district. **Kalita Seed School was verified on this day** by a named hand-filled copy. The ICT room was closed for the holidays, so those counts were not checked in the room.

2026-08-27

Local government covered: **Amudat District**.

Researcher	What was covered	Photographs
Mwesigye Joseph	Looro Seed Secondary School, worked from the outside after the head teacher could not be raised the day before - eleven blocks recorded, and one item of equipment	25
Otema Emmanuel	Working in Napak and Moroto, logged with those districts	0

25 photographs on 2026-08-27. **Looro Seed Secondary School was verified on this day** by a named hand-filled copy. Nobody received the member. The day the member stood in this school is not recorded anywhere and is carried as a query.
