1. Identification

Facility	Senendet Seed Secondary School

Local government	Bukwo District
Region / sub-region	Eastern / Elgon
Date(s) of visit	2026-08-24
Team members present	Alydo Mary Topista, Nakiwala Doreen

2. Entry

The visitors' book was photographed here, so the team is signed in on the facility's own record. Nothing about getting in or being allowed to work was raised.

3. Condition and status

The four things this exercise sets out to settle. What the visit settled is entered below, what it did not is marked not reported, and nothing here is filled in from anywhere else.

Dimension	What was established on site
Ownership	Not reported. No land title, ownership document or ownership statement was recorded for this facility.
Functionality	Not reported. No item was recorded as working or not working.
Usage / performance	Recorded for the facility as a whole and not item by item. The team put it this way: All the UgIFT assets in Senedet seed school are not in use because they have not yet handed over to the school and also the structure to put some of them not yet complete.
Location	Only the facility itself. No room, block or store was recorded against individual assets.

4. Supplied against found

Nothing on file says what was supplied to this facility, so found stands on its own and there is nothing to set it against. 18 of the items recorded here carry a count; the counts sit with the facility's own record.

5. Engraving and identification

The team recorded: All the assets in Senedet seed school are not engraved in accordance with the verification on ground. No serial number was recorded against any item here.

6. Obsolete, unserviceable or for disposal

Nothing here was put down as obsolete, unserviceable or fit for disposal.

7. Operation and maintenance

What the team recorded on site:

- 2026-08-26 - But seeing them physically all are still new as they were delivered.
- 2026-08-27 - All assets in Senedet seed school are not in use because they have not been handed officially to the school.

8. Queries

- The informant discussion guide was not answered for this facility, so questions 1a, 1b, 2, 3 and 4 of the toolkit are outstanding.
- The toolkit filled in by hand on site and naming this facility has not come in, so nothing here is verified.
