Allocated 6 - reported on 6 - verified 6. All six facilities the programme list names in Manafwa were reached on 2 and 3 September and all six are verified from hand-filled registers.

Every return above falls short where ownership went unestablished or nothing was counted on the day. Each facility's own report says what else its return lacks.

No photograph of any asset was sent in from Bukimanayi HC III, Khabutoola and Butta, so the status of every item there rests on the hand-filled register alone.

3. The local government record

Required	Status
Courtesy call on the CAO or Town Clerk	No record
Record of assets held at the district	Stores requisition and theft letter for Buwagogo only
Interviews with the CFO, DEO and DHO	No record
Debrief to the local government	No record

4. Key findings

- **All six facilities are verified** from hand-filled registers naming each one.
- **Butta and Sisuni are still under construction**, with the contractor in charge and teachers not yet deployed at Butta.
- **Khabutoola and Sibanga are not yet handed over** to school management.
- **Computers have been stolen from two of the schools.** Eight went from Buwagogo's laboratory on the night of 4 February 2025, police reference CRB 06/2025, and Sibanga records ten monitors and twenty processors gone.
- **Manafwa produced no combined district register.** A stores requisition and a theft letter cover Buwagogo ICT only.

5. Supplied against found

All six have hand-filled registers as the found side. A stores requisition lists Buwagogo's ICT pending installation. Nothing was counted at any of the six.

6. Obsolete, unserviceable or for disposal

Eight computers are reported stolen at Buwagogo and thirty units at Sibanga. Nothing was listed for disposal at the other four.
